

Future Leaders For Peace

Edna Maguire

Lisa Zimmer, Principal

"Jonathan is an excellent presenter! He relates well to children and talks to them on their level. He does a great job relating his incredible experience to the life skills of perseverance, goal setting and caring about the environment. His enthusiasm and energy were great for our school. Much success in the future."

Northern Light School

Michelle Lewis, Co-Founder

"Jonathan your talk was amazing. You are such a beacon of hope. The kids were deeply moved by your words of encouragement and support. You ARE making such a difference in the lives of our young people."

Interact (Rotary for High School)

Lee Denlinger, Pleasanton North Rotary

"What a great speech you gave! When you can hold the interest of 400 high school students on a Sunday morning, you know that you have touched a responsive cord...thanks so much for being our 'keynote' speaker for the Fall Leadership Conference. With your permission, I'd like to pass your name along to our Rotary Club... the members do need motivation!"

San Francisco Friends School

Spencer Tolliver, Associate Head

"Excellent presentation. The messages you bring are exactly what we strive to teach our students everyday! Thank you so much for a thoughtful and informative presentation. How did you learn to speak so well?"

St. James

Carol Cogliandro, Teacher

"It was an excellent presentation. Jonathan was so on target with the children and handled them with extreme patience. Jonathan and his team did a great job on drawing from the children what the key issues were. What I found great for the children was the team did not talk down to them. The class felt very comfortable with the team. Thanks for a great day."

Fish Hoek Middle School

Gavin Fish, Deputy Principal

"Real life experiences are a particularly powerful tool with this age group. Expressions of hope and positive purpose coming from credible role models helps enormously with our task of educating. Thank you."

Vallecito

Betty Jordan, Principal

"This is one of the most powerful assemblies our children have had the privilege to hear. Each and every one learned they are responsible for their own actions and can choose to be kind and compassionate even when others are mean. Thanks so much Jonathan!"

Crossroads at Marin Academy

Rey Fernandez, Director

"Thank you for taking the time to share your stories, wisdom, and important message. I think the program is multifaceted and tailored well to his age group. Best of luck to your organization and thanks for the book!"
